Subject: Techalloy NPDES Permit & IEPA Call

Hi Gerry,

I called IEPA last Thursday April 25, 2019, and I talked with Shu-Mei Tsai and Darin LeCrone, Manger. IEPA confirmed they had lowered the discharge limits back to the original Permits limits. That IEPA had to contact the two groups that had made comments and inform them of the changes, after that they would issue the Permit if the groups did not have any other comments.

Respectfully,
